Faculty Mentor Agreement

This form discusses the agreement between you and your faculty mentor about how you will conduct your research during this quarter. Please be sure to answer each question completely and as accurately as possible so that the McNair office has a clear idea of what you will be doing with your time.

Name: _____

Date: _____

Faculty Mentor(s): _____

Dept: _____

Quarter: _____

Briefly describe your research topic (in general).

What goals do you want to accomplish for your research during this quarter?

What will you be doing **specifically** to accomplish these goals?

You may discuss books/articles you will read, interviews you may conduct, time you will be in the lab, locations you will conduct observations, etc. Please include any deadlines that you and/or your mentor have for the completion of these tasks.

How often will you be meeting with your faculty mentor(s)?

Please include when you will meet as well as how (i.e., phone, Skype, in person, etc.). If there are dates that you know your faculty mentor will not be available, list those and what you have arranged to do while your mentor is away.
